

Computer Science Undergraduate Society

General Meeting

Oct. 3, 2014

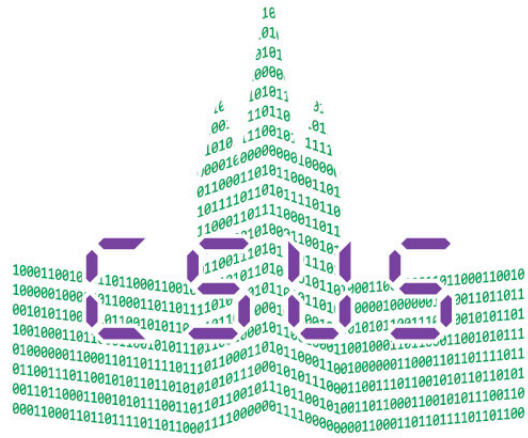

Welcome to CSUS!

- **What do we do?**

- *“We work to promote computer science as an academic discipline, to connect students to related university services, and to provide methods of networking between students, faculty, and employers.”*

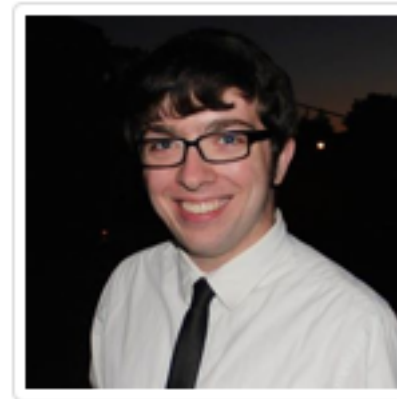

- **No, really, what do we do?**

- Study groups, review sessions, pub nights, academic colloquia, social gatherings, peer support, and on and on and on...
